STORY BY YUNO

Eh...

So...

It's like this..

What should I do?

I didn't plan this flamboyantly enough.

Please listen to me!

CLINK CLINK

I'll give you money!

Look.

Lady Amelia..?

It's a ghost! A zombie! It's a spirit!

Let go!

Huh, do you know me?

It's a ghost! A zombie! She came back from hell!

Let go!

Wait, wait

Calm down and listen to me...

My name is Amelia.

I'm the daughter of an infamous baron in a faraway land called Lignia.

I've always been sick with illnesse.

I wasn't in pain, but it was bearable.

Father was strict with other people, but he was kind to me.

There was delicious food, beautiful clothes, and interesting books.

There were a lot of happy days in my life. I thought that if paradise existed, it must be like this.

And of course, I had a kind mother who granted my every wish.

That's what I thought about when I heard of my imminent death...

I felt sad.

That night,
I were unreal and was scarred waiting.

I was really good at escaping from the servants.

RUSTLE

Then I met a merchant who claimed to sell anything a person needed.

I was a bit disappointed, but I thought to myself... that my illness can't be helped. A lot of doctors came to see me, but even they couldn't cure me.

But then,

He says that he sells what people need, but didn't see anything that you can sell?
Maybe you didn't really do as he first told you.
Or maybe your illness actually could have been cured.
Didn't many people commit suicide because they were tired of their illness?

But I thrash the medicine and cried over him later
When I woke up all I could see was dust. I told him that my last wish was not to alone the coffin.
